FoodIntegrity TRAINING WEEK:

TRAINING SCHOOL on assuring the integrity in the food chain, 3-5 September 2018

&

SYMPOSIUM for post-graduate students on food fraud, 6-7 September 2018

TRAINING SCHOOL

SYMPOSIUM FOR POST-GRADUATE STUDENTS

Who should attend?

Training school is targeted particularly to PhD students and postdoctoral researchers interested in learning more about strategies for detecting fraud and assuring the integrity of the food chain, including analytical methods development, data evaluation, QA/QC, end-user tools, transparency along the food chain.

Who should attend?

Postgraduate symposium on food fraud is open to all postgraduate students across the full spectrum of food quality management, analytical chemistry, criminology, marketing, consumer sciences, and economic sciences. Those who have completed a doctorate but not yet taken up a post are welcome too.

Why attend?

To meet up with the experts in the field of food safety, quality, authenticity and traceability assessment and learn more on other young colleagues and stakeholders in order to exchange on their current and future research activities.

Why attend?

This exciting event will be an excellent occasion to present results of your research, meet your colleagues and develop your network as a junior researcher in the area of food integrity.

Registration fee

Training school is FREE for all FoodIntegrity project members.
Other delegates will be charged for € 250.

Registration fee

This symposium is FREE for all participants.

Venue

[University of Chemistry and Technology, Prague](#), Technicka 3, Prague, Czech Republic

How do I book my place?

More details and information on how to reserve a place and submit an abstract (for participation in the symposium) will be issued in due course. For now, please put the date(s) in your diary and forward this email to others who you think would benefit from attending.

Registration

Since the number of participants both in the training school and post-graduate symposium is limited we encourage you to register as soon as possible it will be announced, and no later than by Monday, 20 August 2018.

Abstract submission

We encourage you to contribute to the symposium with an oral or poster presentation in order to maximize interaction. If you are interested in presenting work please submit a half-page abstract by 31 July 2018 (instructions will follow soon). Those selected to give oral presentations will be notified by 20 August 2018.

UNIVERSITY OF
CHEMISTRY AND TECHNOLOGY
PRAGUE

FoodIntegrity training week is organised by the FoodIntegrity project and University of Chemistry and Technology, Prague, Czech Republic

The project has received funding from the European Union's Seventh Framework Programme for research, technological development and demonstration under grant agreement No. 613688.
